MONA ALRUKHAIMI

PROFESSOR OF MEDICINE

CONSULTANT PHYSICIAN & NEPHROLOGIST

PRESIDENT OF EMIRATES NEPHROLOGY AND TRANSPLANTATION SOCIETY

Emirates Medical Association – Nephrology and Transplantation Society

HISTORY

- The Emirates Nephrology & Transplant Society (EMANT) was founded in 1996, under the umbrella of the Emirates Medical Association.
- Since its establishment, the society has been active in providing education to its members and the greater region. It started as 15 members and now its membership exceeds the 120.
- The society played a major role in collecting the data regarding the status of nephrology in the country, leading the activities during World Kidney Day and in conducting the first survey on organ donation public opinion.

EXPERIENCE IN MANAGING LARGE SCIENTIFIC MEETINGS BY EMANT

- EMANT have an excellent track record of hosting successful events, working closely with International and regional associations on these projects. (The president of the society was a council member in ISN from 2011-2017 and an executive council 2015-2017 and also a member of KDIGO council 2013-2015 and later leader of its implementation task force for ME region)
- In particular, the ISN-EMANT Update Course in Nephrology takes place every three years and has growing steadily since the first edition in 1998. till 2017.
- In 2014, this was joined with the **12th Congress of the Arab Society of Nephrology and** resulted in an event with over 800 delegates from 28 countries. A pre-symposium day was held in conjunction with the 2014 course, dedicated to Peritoneal Dialysis, and co-sponsored by ISPD during which **ISPD Middle East Chapter** was officially inaugurated.
- They were also the host of the third conference of the **Pan-Arab Hypertension Society** which attracted over 1,600 delegates.

Under the Patronage of:
H.H. Sheikh Hamdan Bin Rashid Al Maktoum

Deputy Ruler of Dubai
Minister of Finance & Industry, U.A.E.
President, Dept. of Health & Medical Services, Dubai

ISN Update Course in Nephrology

10-13 DECEMBER 2004

EXPERIENCE IN MANAGING LARGE SCIENTIFIC MEETINGS BY EMANT

- The **13th MESOT Meeting in 2012** welcomed over 1,000 delegates to Abu Dhabi, a record attendance for the event.
- EMANT also hosted the **1st ISHD congress in the region in 2018** and the **1st ISODP congress in the region in 2019** with great success as stated by the two societies .
- EMANT **won the bid for WCN in Abu Dhabi in 2020** but unfortunately after all the preparation for over a year, the meeting was cancelled because of the Covid pandemic.
- EMANT is **part of GCC DOPPS 5,6,7.**
- EMANT started to have **2 annual meetings per year dedicated to GN and RRT since 2021.**
- **Won the 15th Asian congress of pediatric nephrology 2023.**
- **Won the ISPD 2024** which was the first to be conducted in ME region with excellent record in September 2024.

 **NOVARTIS** | Reimagining Medicine

-
- EMANT is working on 3 guidelines:
 1. **Reno-Metabolic in association with Emirate Diabetic Society (released February 2025)**
 2. **aHUS genetic testing in process**
 3. **Tolvaptan Guidelines for management of APCKD in process.**
 - EMANT participated in Consensus recommendations on fasting during Ramadan for patients with kidney disease: risk classification (published in BMC Nephrology 2024).
 - EMANT also participate in CKD-MBD guidelines for practice in ME countries published in 2014.

OTHER ACTIVITIES BY EMANT

- Kidney health and nephrology are of particular interest for the UAE. The founder and much-loved first president of the country, HH Sheikh Zayed Al Nahyan, received a KT in 2000. As a result, the UAE initiated the largest charity run in support of renal patients, research, training and public awareness programs, the Zayed Charity Marathon, which is held annually in New York, Abu Dhabi and Cairo.
